Please contact a Church Warden to do this. Thank you.**

Our policy, so far as reasonably practicable, is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, casual labour and voluntary helpers, and to provide such information, training and supervision as they need for this purpose.

We will also endeavour to ensure, so far as reasonably practicable, the health, safety and welfare of all members of the congregation, contractors, visitors and others who may visit the church, churchyard and any associated buildings.

The allocation of duties for safety matters and the particular arrangements that we will make to implement the policy are set out within the policy document.

The policy will be kept up to date, particularly in the light of any changes to our buildings or activities. To ensure this, the policy and the ways in which it is operated will be reviewed regularly and appropriate changes made.

In order to ensure that health and safety matters are kept constantly under review, an item on health & safety will be on the agenda for all meetings of the PCC. Employees and voluntary workers will be consulted on a regular basis in order to seek their views.
