

# Proportional Giving Worksheet

Solely for your use - nobody else will see it

## 1. Do you know this ratio?

The proportion of my income I give to the church is:

## 2. If you don't, here is some help with the calculation

	My income after tax and NI	My giving to the church	Proportion
Weekly			%
<i>or</i> Monthly			%
<i>or</i> Yearly			%

To convert weekly figures to monthly, multiply by 9 and divide by 2  
 To convert monthly figures to weekly, multiply by 2 and divide by 9

## 3. Some questions to consider

Could I take one step up?  
 Should I take a step down?  
 Or shall I leave it unchanged?

## 4. A personal commitment

I will take the necessary steps to change my giving to

per week/month
